

## THINK & FEEL

Hazard  
Temperature  
Air Pressure

## HEAR

Harmful Explosives  
Chemical leakage  
Flammable Liquids

## SEE

sludges  
Carcinogenic Substances  
Corrosive Solvents

Releasing Dangerous Hydrocarbons  
Contaminating Air quality index  
Unsuitable Environmental conditions

## SAY & DO

## PAIN

Sparks or blasts  
Pulmonary issues  
Inadequate safety gears

## GAIN

Quick Response time  
Integrated with smart beacon device  
Frequent temperature broadcasting
